President's Letter

Town elections are upon us and the League is preparing for candidates' forums in Andover and North Andover. Andover's election will be held March 22 and the candidates' forum is March 12 at 1:30 pm at Memorial Hall Library. North Andover's election will be held March 29 and the candidates' forum is March 9 at 6:45 pm at the North Andover Senior Center. See the articles below for more details. The forums are a great opportunity to hear directly from the candidates in advance of election day.

Town Meetings are also coming up soon. The Andover and North Andover town websites are a good source of information for related logistics. Andover's town website is www.andoverma.gov. North Andover's town website is www.townofnorthandover.com.

As I mentioned in last month's *Bulletin*, over the next couple of months we will be working on the League's program and priorities for the next fiscal year. We will also be developing the slate of nominations for board positions to be voted on at the League's annual meeting in May and the roster of committee heads for the coming year. The League is valued and respected for the work we do to educate voters and increase understanding of public policy issues. However, we rely on volunteers to be able to continue these and other services. Joining the League board is a great way to be involved in your community and to work with some great people. You help plan events, research issues and generally increase your knowledge about our communities. There are positions and projects for every level of time commitment. Please reach out to me or another board member if you'd like to talk about opportunities.

Open Lines with Planning Dept:

Upcoming Town Meeting Articles

By Ann Cobleigh

At the invitation of Andover's Director of Planning, members of the League attended a meeting on February 8th with the Planning Department staff: Paul Materrazzo, Lisa Schwarz and Jacki Byerley.

Attending for the League were Kerri Ford, Stefani Traina, Alix Driscoll, and Ann Cobleigh.

In anticipation of Andover's Town Meeting, Paul wished to have an opportunity to provide an overview and opportunity to for questions and League input regarding the Planning Board-sponsored articles and a

couple of other related, privately submitted articles. Some of the articles are straightforward and others lengthy and complex so they cannot be addressed in detail here, however we hope to organize a public forum to address these and other warrant articles prior to Town Meeting.

Member Profile: Stefani Traina

By Ann Cobleigh

This month, I was privileged to spend time with League member Stefani Traina.

Stefani was born and raised in Northern Virginia, in Vienna. She earned her B.A. in Religious Studies from the University of Virginia and her Master's degree in management and human services with a concentration in non-profits from Brandeis University's Heller School. She worked at WGBH for 2 1/2 years in the budget office and as a budget manager for The Caption Center (closed captioning) until the birth of her first child, Laura.

Stefani is a joiner with a capital "J". We all know she is a significant contributor to the League but you may not know her volunteer efforts began long ago. When her two children were small she joined The Mother Connection, spent 2 years as a Girl Scout Daisy and Brownie troop leader, joined the PTO and worked on the Cultural Enrichment committee for several years booking performers, authors and others, worked with the town-wide enrichment group, and volunteered in many different capacities in the schools at the elementary, middle and high school levels.

After discovering the League in 1993 through a friend, she joined in 1994. Her accomplishments and roles in the League are numerous: helping organize the first Community Read-Along and coordinated until 2006, served as School Committee observer, helped lead a local education study in 1997 focused on Andover High School, Bulletin editor 1998-2010, served as Membership Chair, Legislative Action Chair, VP Program & Action, Voter Service Chair, and League President for 2006 - 2010. Stefani has organized the Day on the Hill trip to Boston and served as recorder at unit meetings. She feels particularly

proud of all the different groups with which the League collaborated during her presidency. Other highlights include: *Proposition 2 1/2 Forum* October 2006, formation of the *Greater Haverhill LWV* in 2007, *Immigration Forum* on 11/15/07 and *consensus unit* on 1/12/08, *Sustainability & Natural Resources* committee was active for my entire presidency ultimately becoming the *Environmental Action Committee* in 2007, *Casino Gambling Forum* February 2008, *Budget Forums* from 2008-2010, *Mid-Year Review*, *Outreach to North Andover* with Sandy Glead and Heather McNeil working to revitalize the League in town, formation of *FACT (Friends of Andover Community Trees)* in 2009.

Through it all, Stefani feels she has learned so much about how all levels of government work and how citizen input can influence decisions. She says, "Dedicated people made it all happen. I think the League provides great value to our community, and it gives interested volunteers a chance to meet each other and work on serious issues while having fun. I've met wonderful people through my involvement in the League and I feel privileged to have worked with so many bright, articulate and passionate people and to have had the opportunity to get to know our town officials and to watch them in action."

Through her extensive service to the League, her knowledge, and unique ability to inspire and encourage others, Stefani is an invaluable resource. All the while we chatted, her drive was evident; she kept bubbling with more ideas and thinking ahead.

Thank you Stefani and more power to you!

MA LWV Conducts Moderator Training

By Ann Cobleigh

Of the many voter services the League provides to promote democracy in action, providing moderators for public forums is a valuable one. The training, skill-development and moderating experiences provided by the League is a unique opportunity.

To that effort, the Massachusetts state league conducted a moderator training session at Wingate Nursing Home, Needham, MA on February 24th. Jo-Ann Berry and our own Stefani Traina

organized and facilitated the 90- minute class. Trainees from Andover/North Andover included Heather McNeil, Ann Cobleigh and Peggy Kruse (training assistant). Other attendees represented leagues from the Needham, Weymouth and Newton. Some attendees had prior moderating experience while others were newcomers. The session of role-play and discussion was fun and interesting and all benefited from each

others' experiences.

Another service the state league provides to local leagues is maintaining a centralized list of available moderators. When local leagues are in need of an event moderator, they can contact the state league office to receive referrals. According to Jo-Ann and Stefani, this list is presently being updated so it will continue to be a valuable tool.

Heather and Ann will quickly have opportunities to utilize their recent training. Ann will moderate for the Andover Senior Center on Friday morning, March 11 and Heather will be moderator for the Andover Candidates' Forum, Saturday, March 12.
